Partnership News

Issue 6 April 2010

Dear Members and Friends,

Our third complete year is drawing to a close and as it does we are once again exceedingly thankful for the continued support you have given us, which has allowed us to maintain our donations to the hospital. We really do appreciate that you have continued your support even when things have been a little more difficult here.

This year we have -

- Given regular quarterly donations to the hospital
- Sponsored Mike Nkwazi to upgrade his nursing qualification
- Sent a container of supplies and equipment including an ultrasound machine, an anesthetic machine and oxygen concentrators.

Several members of the committee of the Livingstonia Hospital Partnership have travelled from Northern Ireland to visit the hospital – at their own expense - to share their expertise and monitor the progress of the Partnership.

At our AGM on Saturday 22nd May 2010 we are delighted that two members of the Partnership who are willing to join the committee will give us an update of how the work at the hospital is progressing and their impressions of Livingstonia.

Appeal for Pictures of Livingstonia through the years

This year the David Gordon Memorial Hospital is 100 years old. The first stone was laid on 11th February 1910 and the hospital was officially opened on 16th August 1911. We would like to organize a presentation / display about DGMH throughout the years and would love it if you can provide stories or pictures for inclusion in this. Please send any material to the address below or email me at maureenms@btinternet.com.

Thank you to all who bought Christmas Cards, and gifts which, helped to raise funds and publicize the work of the hospital. If you would like a speaker at any group meeting to tell of the work of the Partnership please contact the Secretary.

Thank you for your vital support over this year. We really hope you can join us at the AGM – please put Saturday 22nd May in your diary now.

We are delighted that the staff in Malawi continue to send us the Livingstonia News. I hope you enjoy getting it -I am continually impressed with the stories and how good a read it is. We are trying to reduce administration costs to a minimum and with the cost of postage having recently gone up again we would like to send this by email rather than post – if you would like to receive this electronically please email your details to info@livingstonia.org.uk

**Looking forward to seeing you on 22nd May at the
AGM**

Thank you,

Maureen Stevenson
